## Artists Collective | Spartanburg, SC, Offers Annual Holiday Artisan Market

The Artists Collective | Spartanburg in Spartanburg, SC, will present its Annual Holiday Artisan Market, on view in the Solomon Gallery, from Nov. 8 through Dec. 23, 2023. In addition, ArtWalk Spartanburg, will be held on Nov. 16 and Dec. 21, from 6-8pm.

Looking ahead at the holidays, do you often think you’d like to give unique gifts – one-of-a-kind pieces that the recipient will really cherish? Sure, there are websites offering such items, but why not “shop local” at the Artists Collective | Spartanburg’s 2023 Holiday Artisan Market?

“This much-anticipated annual market will feature works of 44 regional artists’ works – everything from acrylic paintings to sculptures and jewelry to photography and ceramics and just about everything in between,” says Marcy Fedalei, one of the artists and a member of the Holiday Artisan Market Committee. “Every piece is original and unique, and sure to please any recipient, and while you’re at it, pick up something – or a few things – for yourself.” Prices of the art will range from under \$5 to more than

\$1,000.

“Staying open later on Thursdays will make it easier for people – especially those who work during the day and whose weekends are filled – to shop with us and find their unique gifts,” Fedalei says. “While shoppers are at the Collective, they are encouraged to visit the other exhibitions in our

galleries and to shop in our retail shop.”

Beth Regula, chair of the management board of the Artists Collective, adds, “Our annual Holiday Artisan Market has become a favorite shopping spot for patrons looking for unique, locally made gifts for their loved ones. One might find what’s to become a favorite coffee mug, woolen scarf, necklace, earrings, serving dish, painting or print for a friend or relative – or even yourself. Shopping at the Collective also bolsters the local economy. Everything that we sell is made by our members who live in Spartanburg and surrounding counties.”

Items offered during the two-month market are replenished so there will always be plenty from which to choose, Fedalei adds. “Our artists are well prepared for this event. We have stocked up on some of the items that we believe will be popular this year. We encourage people to visit several times because there will always be something new on the tables.”

Patrons also will be able to register for door prizes of gift certificates redeemable for merchandise at the Collective.

Participating artists include: Monica Arledge, Teda Barrows, Chuck Bishop, Jordon Brown, Pat Cato, Kimberly Christopher Rodriguez, B Collins, Robyn Crawford, Patrick DeCrane, Craig Denesha, Andrew Donnan, Addam Duncan, Patrick Edwards, Marcy Fedalei, Logan “Divinity”
