Southern Arts Society in Kings Mountain, NC, Offers SASi Holiday Boutique

The Southern Arts Society Gift Shop & Gallery (SASi), in Kings Mountain, NC, is offering the SASi Holiday Boutique, on view through Jan. 7, 2022.

Their galleries have been turned into a Holiday Boutique filled with a wide variety of original art and hand made fine crafts. Over 75 regional artists have work available: painting, mixed media, jewelry, pottery, leather, paper craft, fiber and textiles (loom woven, knitted and crocheted items). All the items are made by hand, each being unique, one of a kind works of art.

The 2022 Calendar themed "North Carolina Mountain, Wildflowers and Waterways", consists of 12 original pieces of hand pulled silk-screened art. Each month is designed by a different artist, giving you twelve individual original art prints. Artwork featured in the calendar this year reflects the beauty of nature found in our great state of North Carolina. Their popular Calendar Tote Bags are available again this year, printed with the same images from the Calendar.

Southern Arts Society was founded in 1984 by the late A.B. Mauney Snow and a dozen friends to promote the talents of local artists around Kings Mountain. Soon after the group formed, the idea began of producing an art calendar by hand to earn money for the group. The 2022 edition marks 37 years of producing the limited-edition calendars. The Calendars are reserved from year to year by loyal

collectors with many being shipped all around the country, leaving only a small number open to sell to the general public. The twelve-month calendar set sells for \$30, and a frame (in black, gold or silver) to hold the calendar may be purchased for \$30. Many who purchase the calendar refuse to look at them ahead of time, wanting to be surprised as each month comes along to turn the page and see a new work of art.

So you're the Marketing Director of a visual arts organization, art museum, arts center, arts council or artist guild and you're wondering why you never see the exhibits presented at your facility included here. Maybe you're the owner of a commercial art gallery and you've never seen your exhibits included with others presented in your area. You might even be an individual artist who is having an exhibit in a non-profit space or commercial space and you don't see your exhibits included.

My question to you is - How long will you put up with that before you ask someone, "Why that is the case?" If you're not included - it's your fault.
