

Now Through January 11, 2025

Mid-Mod Winter

Works by CLYDE LYON

In his first solo show, Clyde Lyon will take you back to the middle of the last century – to a time when brutalist and modern design were pushing the boundaries of art and architecture. Clyde uses the least forgiving of inputs; steel cut nails, upcycled metal components, torches, welders and grinders; to create pieces that evoke both a modern and timeless (Mid-Mod) style.
