Works by Traci Wright Martin

Reception: Friday, April 29 | 6:30 – 9 p.m.

This series of charcoal and mixed media portraits explores the female perspective on what it means to be seen, to see the depth in others and to truly see oneself. It is a deeply personal autobiography on passage and reconstruction with a shared narrative honoring both the points of individuality and purposeful connections with all women.

Martin's skilled technique and her unique vision for the combination of charcoal and mixed media have earned top awards and accolades in a number of juried shows, regional and national. Her artwork is featured in private and public collections, both internationally and throughout the US.
