Bloomberg, Reuters and numerous regional publications including "The Sumter Item".
Through Apr. 22 - "Quiet Ground," featuring works by Wilfred Spoon. Spoon is a Mt. Pleasant, SC-based painter whose preferred medium is oils. Born in Charlotte, NC, he earned his MFA at Parsons School of design in New York in 1987. Spoon's influences include primitivism, early and pre-renaissance painters of religious icons, and Cubism whose artists explored new spatial relationships that finally broke with the Renaissance traditions of perspective. In his still lifes the division between foreground and background is not distinct and space, both interior and exterior, seems to be that of the Cubist-derived style. **Artisan Center Gift Shop** - Featuring art objects from local and regional artists.
