Art League of Hilton Head on Hilton Head Island, SC, Offers Works by Peter Dallos

The Art League of Hilton Head on Hilton Head Island, SC, is presenting *Peter Dallos: Flowering*, on view through May 21, 2022.

The exhibit features a series of metal sculptures of flowers in varying stages of blooming. The collection, an evocative and powerful collection, explores the beautiful yet sometimes spindly and bizarre forms of orchids and forest flowers.

“It’s not every day that we have an artist of this caliber exhibiting at Art League,” says Kristen McIntosh, Art League General Manager. “Peter Dallos has had solo exhibitions in New York and Chicago galleries, has his work collected by museums, and has taken part in Art League’s Biennale and CraftHiltonHead, both juried shows. We’re thrilled to have him.”

Dallos’ previous works explored dystopian themes such as the helplessness felt by individuals during war. His previous series include *Struggle* and *End of the Road*. His 9-sculpture *War* series - a commentary on his own experiences in Hungary during World War II and the subsequent rise of the communist regime - is in the permanent collection of the Holocaust Memorial Museum in Washington, DC.

Flowering was inspired during his isolation at his North Carolina cabin during the pandemic. “I’m trying to gentle me down,” says Dallos. “Unexpectedly, the full isolation during the Covid year made me tranquil. Consequently, I moved on from the existential worries of previous work. The beauty of flowers...engages me now.”

Dallos’ success as a sculptor comes after 50 years spent as a professor of neuroscience at Northwestern University. He has written an autobiography, *I Was Here (Life, Science and Art in Turbulent Times)*.

Society of Bluffton Artists in Bluffton, SC, Offers Works by Letty Husson

The Society of Bluffton Artists in Bluffton, SC, will present *Lowcountry Landscapes*, featuring works by Letty Husson, on view at the Society of Bluffton Artist’s Gallery, from May 2 - 29, 2022. A reception will be held on May 7, from 5-7pm.

Throughout May the peaceful landscapes of the South Carolina Lowcountry will fill the gallery with the paintings of Letty Husson.

With a serene style, Husson’s use of pastels and oils convey the natural beauty and tranquility of her settings. The colorful skies, marshes and birds of the Lowcountry are her most frequent subjects now, but not the only ones.

“My work is varied, but these days I use mostly oil and pastel,” says Husson, who began her life as an artist while working as a nurse decades ago in New York City. “My husband says that my signature style is

‘pleasant to look at.’ I like that.”

Husson earned her art degree from Marymount Manhattan College in 1986 and *continued on Page 12*
