FLAT OUT UNDER PRESSURE ARTISTS HAVE 24 HOURS

On Friday, June 10, artists will arrive at the Metropolitan Arts Council to have their surface stamped and verified as “blank.” 24 hours later, they will return those surfaces as completed works of art. This juried exhibit will award eight artists the opportunity to have their work reproduced onto the recycling bins that line Main Street in Downtown Greenville for the following calendar year. View the exhibit at Metropolitan Arts Council between June 13 and July 15, and take a walk down Greenville’s Main Street to view the current artwork on the recycling bins!

BETWEEN WORLDS

Works by JoAnn Borovicka

June 7 - July 29, 2022

Artist Reception: June 17, 2022
6:30 - 9:00 PM

Combining folk-art aesthetics with surreal imagery, this mixed media exhibit strives to capture something of that ephemeral moment between dreaming and waking up – that moment when incompatible and perhaps disquieting images from your dream linger and make perfect harmonious sense.
