Work by Jeanette Louise

Art & Light Gallery Annex, Pendleton Street, 1211 Pendleton, Flatiron Building, Greenville. **Through July 1** - "In The Garden," featuring works by Jeanette Louise. "In the Garden" started three years ago when Louise welcomed her second child. Working with graphite and charcoal were appealing mediums, as they only required short sitting periods. Engulfed in caring for her two young children, Louise's greatest moments of peace came from slowing down to either draw or work in her garden. When the Covid pandemic began a year later, she was faced with new personal challenges. The black and white florals that she created during this time that make up this collection represent the range between hope and despair. These were some of the themes that filled her household as her family navigated the uncertainty that the pandemic brought. Flowers are offered both in celebration and in hardship. The monochromatic element between light and dark reflects this relativity. **Ongoing** - Featuring an individual artist for a two month period. Hours: by appt. only.
