ALTERNATE ART SPACES - Rock Hill **White Street Gallery**, 130 West White Street, Rock Hill. **On Permanent Display, until the material on which they are printed begins to deteriorate** - "ALLEYS AS GALLERY'S". The Arts Council of York County implemented the Alleys as Galleries program with an exhibition in Cotton Alley on East Main St. in Rock Hill in 2018. Alleys as Galleries transforms York County, South Carolina's well-traveled alleys into art galleries that feature works by local and regional artists. Works by six York County high school students, Bruna Coelho, Luc Mercado, Paige Evans, Heather Lenti, Ashley Walsh, and Hunter Sigmond, were selected for a public art installation on the fence between Dust OFF Brewing Company and the Lowenstein Building along the Williams & Fudge fence line that faces White Street. ## Spartanburg

**Throughout downtown Spartanburg's Cultural District, Ongoing** - The Creative Crosswalk Project is a public art initiative in which local artists and designers design and paint a series of crosswalk murals, transforming the crosswalks into works of art, on Main Street in Spartanburg, SC. The downtown cultural district area is often bustling with events and pedestrians, and the pedestrians rely heavily on a multitude of crosswalks to safely traverse the downtown Spartanburg area. The problem is that crosswalks are incredibly easy to overlook, they are rarely visually appealing, and they can even be quite dangerous. In an effort to remedy these issues, Chapman Cultural Center, the City of Spartanburg, and the Spartanburg Area Chamber of Commerce came together to organize the Creative Crosswalk Project. For more info visit (<https://www.chapmanculturalcenter.org/pages/blog/detail/article/c0/a1555/>).

There is information on pricing, materials, availability, shipping, and the artist. Currently, the website features jewelry, glass fusion, miniatures, mixed media, paint-

ings, and photographs. Payment can be made by credit or debit card. All members have the option to have a free shop on the website, and so far several have established their presence with more expected to go virtual as the site gains popularity. **Ongoing** - The Collective features a twenty thousand square foot facility offering affordable studio space, retail space, three galleries, a full ceramics studio, printery, and works by 50 local artists.
