Work by Skip Rohde

Pink Dog Creative Gallery, 348 Depot Street, in the River Arts District, Asheville. **Through Aug. 22** - "Urban Singularities," featuring an exhibit of photos by Ygnacio Rivera. The urban space is being built daily, it moves, displaces, spreads, deteriorates, is amputated, abandoned, crumbles... and there are corners that are being forgotten, joints that remain without articulation with the metropolitan area, because civil designs are inclined to other directions and these breaks leave behind extremities of the urban organ. **Aug. 26 - Sept. 25** - "What May Be," featuring an exhibition of paintings by Skip Rohde. A reception will be held on Aug. 26, from 6-8pm. News reports today can be frightening. Wars rage across the globe. The world's population is exploding at the same time that climate change threatens our ability to produce food. Social media and news sources stoke anger and violence.
